

BRING YOUR BIBLE TO SCHOOL DAY[®]

OCTOBER 4, 2018

Did you know that students have the right to bring their Bibles to school? The right to freely live out their faith does not stop when students enter the schoolhouse doors. If you share a belief that students should be empowered to express their faith—and that the Bible has a message of hope that should be celebrated, not discouraged—then you'll love this event for students!

It's a day when students across the country can celebrate their religious freedoms and share God's love through a simple act: bringing their Bibles to school.
