

2019 SUMMER CHALLENGE

# Bible Blessing

This summer, give God's Word to a child for the first time.

This summer *Focus on the Family Clubhouse* magazine is challenging our readers to give Bibles to children in Africa. And you can help!

## The Need

The Yacouba people in Côte d'Ivoire can trace their roots to the biblical tribe of Dan (Genesis 49:16). Nearly 1.5 million Yacouba live in this part of western Africa. But today many of these families believe in a different religion.

Together, we can reach the Yacouba with the truth of Jesus Christ. Our Focus on the Family Middle East office translated and culturalized the *Right Choices Bible*. This Bible comes in 32 languages,

including French—the secondary language for many Yacouba.

After handing out several of these Bibles in Côte d'Ivoire, one church leader said, "Children will read this Bible a hundred times because it might be the first book outside the school materials that they have for themselves. Their parents will be interested in listening to them reading it too."

Now we can provide thousands more Bibles to give away!

## You Can Help

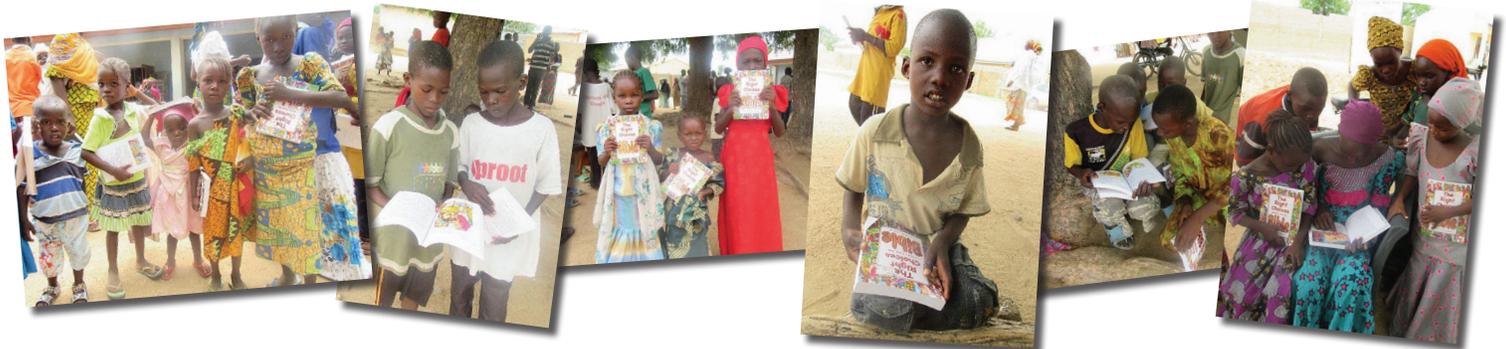

Whether you give \$20 or 25 cents, you'll be a huge help. If all 80,000 *Clubhouse* readers send in just \$5, tens of thousands of children in Africa will get their own Bible!

You can give a small gift to a *Clubhouse* reader for his or her family to send in. Or you can go to [ClubhouseMagazine.com/Bibles](http://ClubhouseMagazine.com/Bibles) to find out more information and donate yourself. Checks can be mailed to:

*Focus on the Family Clubhouse* magazine  
Attn: "Bible Blessing"  
8605 Explorer Dr.  
Colorado Springs, CO 80920

All donations must be sent by Saturday, **August 31, 2019**.

When God's people work together, we can change kids' lives forever!
