

Date Guide

(Print this out and take it on your date!)

For Life.

Step 1: Go someplace *different* for dinner.

Step 2: Put the pieces together.

- Find a difficult puzzle and work together to complete it by the end of your date. Enjoy creating a masterpiece together.
- If you're not into puzzles, try another activity that requires teamwork and commitment, such as a long hike, a cooking or pottery class, and so on.

Step 3: Relax and unwind. *Ready to answer a few questions?*

- What was your favorite part of the evening?
- What was one thing you learned about me tonight that you didn't know before?
- We completed a project tonight by working together and staying committed to the task. How can we apply those lessons to our marriage in the weeks ahead?

Step 4: Home sweet home. *Let's plan our next date!*

- Talk about additional ways you can celebrate your lifelong commitment to one another in the coming week.
