Dr. Greg and Erin Smalley:

The Smalley family mission is to honor and serve God, others and ourselves. We will create a nurturing place of order, integrity, love, happiness, and relaxation. We will believe in each other. We will foster responsibility by teaching our children to love, learn, laugh and to work and develop their unique God-given talents.

Another Sample from Dr. Greg Smalley:

Our mission is to be devoted as a family, to living our lives as a Christian family, focusing on the teachings of Christ. We will work together to strengthen our community through our active involvement in charities and Christian outreach programs. We will set strong examples for our children and will raise them with the proper amounts of nurturing and discipline. We are committed to considering each other's feelings always and putting their needs above our own. We will give praise to the Lord each day for bringing us together.
