## Broadcasts & DVDs

### **Finding Healing and Hope After an Abortion** (Patricia Layton) • 9781683320272 •

Layton was a single mom about to marry when she discovered she was pregnant. She chose an abortion, which wreaked pain and havoc on her marriage, her family, and herself. Seven years later, when she became a Christian, she discovered that God cared about her past abortion and wanted to heal her life. Her ministry to post-abortive women helps them take hold emotional, physical, and psychological healing.

### **Hope for Women Facing an Unplanned Pregnancy** (Amy Ford, Joanna Brown) • 9781624718373 •

Ford and Brown were active participants in their Christian faith, but both found themselves pregnant and unmarried as teens. They share about dealing with the consequences of these pregnancies, and they offer hope to others going through the same experience. They also challenge the Church to be an accepting place of refuge and encouragement to these girls so they will not only choose life for their *babies* but also have the support team they need to move forward in *their* lives.

### **A Mother's Heart Redeemed by God** (Jennifer Polimino) • 9781624710605 •

Polimino shares her prodigal story of growing up in a Christian home, being molested at age 12, date-raped at 15, and having an abortion at 16. Her life continued in a downward spiral until a believer invited her back to church. Today she's married with two children, forgiven by God, and encouraging women with her story of hope and healing.

### **Life After Abortion** (2010) • 736211639615 • (not currently available through Focus on the Family)

This documentary shares the stories, struggles, and healing of those who've experienced abortion.
