

Date Guide

(Print this out and take it on your date!)

Let the good times roll.

Step 1: Go someplace *different* for dinner.

Step 2: Do something FUN together!

- Find an activity that you both enjoy, or better yet, try something new and exciting.
- Possible activities might include playing miniature golf, going to a concert, attending a sporting event, shopping at thrift stores, or something more adventurous such as horseback riding or water skiing.

Step 3: Relax and unwind. *Ready to answer a few questions?*

- What was your favorite part of the evening?
- What was one thing you learned about me tonight that you didn't know before?
- Did you enjoy the activity?

- What are some other activities that we both enjoy that we can incorporate into future Date Nights?

Step 4: Home sweet home. *Let's plan our next date!*

- Talk about additional ways to keep your relationship fun and exciting, not only during Date Nights but throughout the week.
